An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

In accordance with MPEP 1302.04 the following change has been made:

On page 1, line 6 of the specification (as numbered by applicant), "09/352,838," has been changed to --09/352,838, now U.S.P. 6,282,727-- to provide the most recent patent data pertaining to the parent application.

The following is an examiner's statement of reasons for allowance:

Claim 14 and its dependent claims are allowed because claim 14 specifically requires an eyewear member including a substantially planar body having an enclosure with at least one enlarged opening, said enlarged opening including a lens, wherein said body provides a close fit with a face of a person using said eyewear member to diminish the entry of foreign material and light between the eyewear and a person's face, said eyewear member having at least one projection for extending around conventional eyewear and attached to said eyewear member for mounting said eyewear member in juxtaposition to the conventional eyewear.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Peter P. Nerbun whose telephone number is 571-272-4993. The examiner can normally be reached on M-F (1st Week) M-Th (2d Week).
